**Brands make a product stand out and are trustworthy with the delivery of a consistently positive experience. We offer top quality products from the best brands. Brands you can rely on, brands that you can trust.**

**APPAREL**

A woman with her hair in a bun, wearing a white hoodie and blue jeans, is looking at a rack of puffer jackets. She is reaching out to touch one of the jackets. The rack has several jackets hanging on it, including a dark grey one and a dark blue one. The background is a plain white wall.

Promotional apparel with an ever-increasing emphasis on sustainable choices.

# LET'S ELEVATE YOUR BRAND

In the world of branding, consistency is everything. Consistent look, consistent feel, consistent values. And of course, consistent high quality. Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to branded apparel, this is where the bar should be set. **Brands that are worn with pride are brands that last.** Elevated in people's preference. This is what Elevate is all about. It's in our name, it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.

**From briefcases, to backpacks, tablet cases to laptop sleeves, Case Logic designs tools that make life easier and more accessible.**

A person is shown from the back, wearing a black quilted jacket over a white hoodie. They are carrying a black backpack with multiple compartments and zippers. The person is standing in an urban environment, with a concrete wall and a tall building with a red and black striped pattern in the background. The lighting suggests it might be dusk or dawn. The text "LIFE, SIMPLIFIED." is overlaid in the center of the image.

LIFE, SIMPLIFIED.
